COASTAL FERTILITY MEDICAL CENTER

Lawrence B. Werlin, M.D., F.A.C.O.G.
Minoos Hosseinzadeh, M.D., F.A.C.O.G.

It is the mission of Coastal Fertility Medical Center (CFC) to provide the highest quality reproductive services available, with maximum attention paid to compassionate patient care. Coastal Fertility Medical Center has been Orange County's leading provider of Reproductive care to Infertility patients in Orange County since 1982. CFC and its dedicated staff are widely recognized for their compassion, as well as their special attention to the individual needs of their patients.

CFC is one of the first to host in-house seminars for the general public. Every month, the physicians and staff at CFC gather to welcome prospective patients seeking information on the fertility options available to them.
