PCRS 50th Annual Meeting: A Grand Celebration

The Fiftieth Anniversary Annual Meeting was by all accounts the most successful meeting in recent history. A superior CME program attracted a diverse and enthusiastic "student body."

Twenty four of the Society's past presidents were on hand to reminisce and enjoy the results of each of their collective contributions to the growth and longevity of Society.

Check out the PCRS website pcrsonline.org after July 15 to see the highlights of the 50th Anniversary meeting and find out what's going on in the planning process for 2003.

PCRS Names Best Papers from 2002 Annual Meeting

Memorial Award**

Robert Boostanfar, MD
Keck School of Medicine, USC
Los Angeles, CA

**Abstract Deadline
November 25, 2002**

Earn Free Dues for a Year

That got your attention. Didn't it?

If you recruit two or more new active members your dues for 2003-04 will be waived.

If you recruit one new active member you will receive 50% off your 2003-04 dues.

You can also earn credit for lapsed members you successfully encourage to update their member status.

How? It's easy as one, two, three.

1. Refer prospective members to www.pcrsonline.org where they can apply on-line.

2. Send their e-mail address to srbutler44@attbi.com and we'll send them an e-mail with an invitation and membership application.

3. Download the membership application from the website, have the prospective member fill it out and fax to the Society's office.

We'll do the rest.
